

PRESS RELEASE

HOUSE OF DIAGNOSTICS ACQUIRES A DIAGNOSTIC FACILITY IN GREEN PARK

Highlights

- ❖ Acquisition is a step towards expanding the company's footprint in South Delhi
- ❖ The newly acquired facility offers Diagnostics, Nuclear Medicine, Pathology & Dental Services

Delhi, October 28, 2019: House of Diagnostics (HOD), a renowned name in the field of diagnostics and pathology sector, today announced the acquisition of Delhi-based Global Diagnostics. The facility was acquired in May last month and is now fully operational. The newly acquired facility offers a host of services like 3T MRI, PET-CT scan, DEXA, X-Ray, Mammography, along with a wide range of blood tests. To augment the services further, modalities like CBCT & an additional Ultrasound has been added to the portfolio along with advanced Dry Chemistry modality in lab testing.

Speaking on the recent acquisition, **Dr Shubham Sogani, CEO of House of Diagnostics**, said,

"At HOD, we constantly endeavour to provide high-quality and value priced diagnostics to the masses. This acquisition will pave the way for further growth of the company in Delhi-NCR. The Green Park centre is equipped with state-of-the-art diagnostic machines and offers the most comprehensive range of tests. Our centre is staffed with highly skilled and qualified pathologists, technicians, and doctors who give extreme importance to quality and timely testing & reporting."

The new facility in [Green Park](#) is the company's third Integrated Centre in Delhi-NCR. This facility shall benefit the residents of South Delhi as it offers high-end equipment for quality testing at an affordable price. The addition of a CBCT scan and additional ultrasound at the centre will further strengthen the comprehensive list of services. The centre is fully equipped to handle Diagnostics, Nuclear Medicine, and Dental Services – all under one roof.

HOD has directed its efforts in providing a state-of-the-art patient-centric diagnostic and pathology facilities in a safe and secure environment.

At the Green Park centre, strict quality systems are followed to ensure that there is compliance with standard processes. Safe diagnostic and collection practices are maintained for reliable and accurate results for the patients.

About HOD

HOD is a young, dynamic, and rapidly growing integrated medical diagnostic service provider, making a positive impact in India's healthcare sector. The company offers services such as Diagnostics, Pathology and Nuclear Medicine – all under one roof. Some of these facilities include 3T MRI, CT scan, PET-CT, Ultrasound, X-Ray, Mammography and DEXA, along with a vast range of blood tests. With a vision to be a pan-India healthcare player, the company is currently managing its operations in Delhi-NCR, with plans to expand rapidly in other parts of the country. HOD is committed to serve people with reliable and quality diagnostic and pathology services using the latest state-of-the-art technology supported by strict internal and external quality assessments and controls.
