

PRESS RELEASE

HOUSE OF DIAGNOSTICS OPENS ITS NEW STATE-OF-THE-ART INTEGRATED CENTRE IN ASHOK VIHAR

Highlights

- ❖ 10th Integrated Centre in Delhi-NCR
- ❖ HOD operates 100+ Collection Centres in Delhi-NCR & 20+ Blood Test Centres in North Delhi

October 30, 2022, Delhi: House of Diagnostics (HOD), a renowned name in the field of diagnostics and pathology, has expanded its footprint in Delhi-NCR by opening a new Integrated Centre at Ashok Vihar. The new facility is fully operational and offers services like an advanced MRI scan, low-dose CT scan, X-Ray, Ultrasound, Blood Tests, along with a range of other cardiology and neurology tests.

On it's inauguration, **Dr Shubham Sogani, CEO of House of Diagnostics**, said,

"Our newly launched facility at Ashok Vihar reiterates our commitment to provide to high-quality diagnostic and pathology services for people in Delhi/NCR. Our newly opened facility takes us one step closer to bring quality and value-priced services near the residents of North Delhi. The centre offers many facilities like advance MRI scan, Low Dose CT scan, Ultrasound, X-Ray along with many other pathology tests."

HOD's Ashok Vihar centre in North Delhi offers comprehensive services under one roof.

Advanced MRI Scan, Ultra-low dose CT scan, Echocardiography, Mammography, Uroflowmetry, all kinds of Blood Tests and health packages suiting all age groups is available at the new centre.

HOD already operates more than 20+ Blood Test Centres in North Delhi and the opening of this new Integrated set-up offering diagnostic, pathology and nuclear medicine facilities further solidifies company's presence in North Delhi. The Ashok Vihar Centre will act as an integrated hub to all the existing blood collection centres.

At the Ashok Vihar centre, like other centres, we follow a strict quality system to ensure that there is compliance with standard processes. Safe diagnostic and collection practices are ensured for quick, reliable, accurate and consistent results for all patients.

About HOD

HOD is a young, dynamic, and rapidly growing integrated medical diagnostic service provider, making a positive impact in India's healthcare sector. With a vision to be a pan-India healthcare player, the company is currently managing its operations in Delhi-NCR, with plans to expand rapidly in other parts of the country. HOD has 10 Integrated Service Centres providing radiology, pathology and nuclear medicine services, and a footprint spanning over 100+ blood collection centres across the national capital region. HOD is committed to service people with reliable and quality diagnostic and pathology services using the latest state-of-the-art technology supported by strict internal and external quality assessments and controls.
