

HOD Launches its First Diagnostic Centre in Noida

Highlights

- ❖ HOD's 10th Fully Integrated Diagnostic Centre in Delhi NCR to offer extensive Radiology & Pathology Services.
- ❖ High-end Radiology Services such as 3T MRI, CT Scan & 4-D Ultrasound and DR Digital X-Ray & More
- ❖ Centrally located in Sector-19 Noida

April 18, 2024, Delhi: House of Diagnostics (HOD), a leading name in diagnostics and pathology, has extended its footprint in Sector 19, Noida with the inauguration of a cutting-edge Integrated Centre. This state-of-the-art facility, offers an extensive range of services including 3T MRI scan, low-dose CT scan, X-Ray, Ultrasound, Blood Tests, Health Packages, Cardiology, Neurology tests, and more, all available under one roof.

Dr. Shubham Sogani, CEO of House of Diagnostics, commented on the launch, stating, "Our new facility in Sector 19, Noida underscores our dedication to delivering high-quality diagnostic and pathology services to our patients. This expansion represents a significant stride in our mission to provide quality and affordable services. By establishing a presence in Noida, we aim to bridge the gap between quality healthcare services and accessibility, ensuring patients receive timely and accurate diagnostics without the need for extensive travel."

HOD Noida is seamlessly connected to HOD's central **laboratory in Karkardooma**, guaranteeing swift and precise diagnostic results. Patients now have access to a wide range of services, including pathology, and radiology tests, all conveniently located under one roof.

In addition to its convenient location, the newly launched centre boasts an ambient atmosphere designed to enhance the patient experience and provide a comforting environment during their diagnostic procedures.

Adhering to stringent quality standards, HOD ensures compliance with standardised processes at HOD Noida, as with its other centres. Safe diagnostic and collection practices are enforced to ensure quick, reliable, accurate, and consistent results for all patients.

About HOD
